

TRINCHERO

NAPA VALLEY

Like its namesake, Mary's Vineyard has a lot of personality. Mary's was the very first vineyard purchased by the Trinchero family in 1980, and holds significant sentimental value. Named to honor Mario Trinchero's wife, Mary's Vineyard has aged very gracefully.

2014

MARY'S
SINGLE VINEYARD

SEMILLON
CALISTOGA

VARIETAL COMPOSITION:

100% Semillon

HARVEST DATE:

September 9, 2014

Alc: 13.0 | pH: 3.89 | TA: 5.8 g/L

CASES PRODUCED:

73 12/375mL cases

VINEYARD INFORMATION

This sustainably farmed estate vineyard sits on 14-acres in the warm Calistoga AVA and has balanced vines, moderately fertile soils and excellent sun exposure—ideal conditions to grow Semillon with vibrant, rich character.

WINEMAKING

This wine was inspired by the Italian dessert wine and is a nod to the Italian roots of the Trinchero family. The Semillon grapes are picked at optimum ripeness, typically around 22.5° Brix. Winemaker Mario Monticelli puts the grapes on crisping racks designed specifically for this wine in a warm, well ventilated part of the winery, thus encouraging the moisture in the grape to evaporate. This process of desiccation allows the sugars in the grape to be more concentrated. Once the wine reaches 33° Brix it is pressed, then fermented and aged in small, 30 gallon French oak barrels, about 50% new.

WINEMAKER COMMENTS

"This wine possesses beautiful aromas of sweet, ripe peaches, pear tart, apricot jam and honey comb with some nuances of cinnamon and brown sugar crisp. It starts on the palate with surprisingly bright acidity, supporting balanced sweetness and rich viscosity that makes the flavors linger. At the winery we serve it with biscotti—a tradition pairing and another nod to our Italian heritage." – Mario Monticelli, Winemaker
